Citrus Juicers SL98

The all-metal SL98 is the most popular automatic citrus juicer on the market. It is a tireless workhorse for those who want to squeeze truly fresh fruit juices with the minimum effort.

Juice Fit

The stainless steel universal reamer adapts easily to all types of citrus fruit. The particular shape of the reamer exploits the centrifugal force and increases output.

Wash & go!

The stainless steel parts are removed in just a few seconds and are dishwasher safe.

Work better

Thanks to the lever, juicing couldn't be simpler.

Safety

The microswitch located on the back of the juicer is safer and more reliable.
