BL-33 Miracle Pro Wheatgrass Juicer

BL-33 Wheatgrass Juicer

This NSF Certified commercial-grade electric juicer is specifically designed for wheatgrass and other leafy greens. It's great for the discriminating juice enthusiast as well as for use in juice bars.

Its unique auger design ensures maximum juice yield with the driest pulp waste. Features a unique forward and reverse action so the grass that may become tangled and clogged, is instantly untwisted and pulled into the juicer without the user having to reach into the mechanism.

Its body and juicing components are made of stainless steel for strength and purity that will hold up wonderfully in any busy environment.
